Let's do a hands-on!

Prüfungen (Exams)

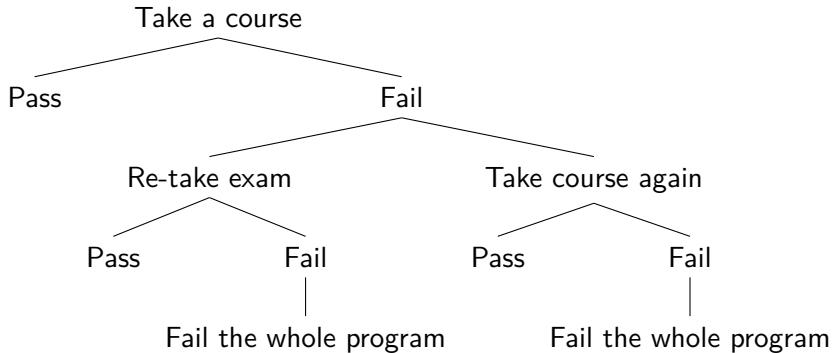

1. Orientation Exam
2. Intermediate Exam
3. Bachelor Exam

Not real exams!

Pass the associated modules and you automatically pass the exam.

Passing a module (CL BA)

- ▶ Passing a module = passing all courses needed for that module
- ▶ Opened modules have to be closed
- ▶ Two chances to pass a course

Passing a module (GL BA)

- ▶ Passing a module = passing all courses needed for that module
- ▶ Opened modules have to be closed
- ▶ **Three** chances to pass a course

Don't be afraid to communicate!
